Hub Open Day Weekend

including the

Southbourne Crossroads Community Garden

Work Party

Saturday 16th and Sunday 17th June 2.30-5pm

FREE ENTRY, FREE LIGHT REFRESHMENTS & FREE 'Make & Take' ACTIVITIES FOR KIDS

There will be lots of arts and crafts activities, fun games with our new neighbours here at Southbourne Crossroads, NumberWorks'nWords, a prize raffle, find out about the community garden, pick up an entry form for our "name the community garden" competition, a table top sale of books and magazines, and more besides, for adults and children alike.

We will also be clearing the garden on these afternoons. You are welcome to join in, tools and gloves provided. Children are welcome to help with the work but must be accompanied by a responsible adult.

This first phase of the Community Garden has been made possible by a grant from the Green Goals Partnership.

We hope this project, like any garden, will grow over the coming months and years, to become a resource for our community which will encourage people to get creative inspired by our local ecology and history and will be a place where young and old can come together.

We are receiving expert advice from Jamie Higham (www.greendotgardens.co.uk) particularly due to the garden's exposed cliff-top location.
